Friend/Family Cinquain

Grade 5

Use the directions on the following 3 pages to complete the Valentine's Day themed project.

Part 1: * Go to the Page Layout tab and go to Page Borders.
   * Select the heart border shown on this page.
   * Go to the Insert tab and select the heart shape shown on this page.
   * Draw a heart similar in size to the one shown on this page.
   * Go to the insert tab and select Simple Text Box.
   * Draw a text box similar in size to the one shown on this page.
   * You do NOT need to type the words you see in the text box on this page. Those words are there to guide you when you type your own cinquain.

STOP

   * **SAVE THE FILE AS:**
   Last Name First Name Heart Cinquain on your flash drive and into the project folder on the network when completely done. Re-save your project as you continue working.

PERSON'S NAME (friend/family member)

TWO Adjectives describing the person

THREE action words (ending in –ing) that describe things the person enjoys.

A FOUR OR FIVE WORD sentence about the person

ONE word about the person

Part 2: * Choose a friend or family member for whom you will type a cinquain poem.

A cinquain is a 5-line poem that contains certain types of words and a certain number of words on each of the 5 lines.

* Within the text box you drew, develop a cinquain for the person you chose.
* Follow the template under Part 1 of the directions found on Page 2 or follow the templates found on thispage, to ensure that the proper

types of words and number of words, appear on each of the 5 lines

* Keep the heart and text box set in size as similarly as possible to the one shown on Page 2.

PERSON'S NAME (friend/family member)

TWO Adjectives describing the person

THREE action words (ending in –ing) that describe things the person enjoys.

A FOUR OR FIVE WORD sentence about the person

ONE word about the person

Nathan

Smart, Strong

Golfing, Running, Swimming

He studied air traffic control.

Brother

Step 3: * Set the Shape Outline of the text box to "No Outline."

* Choose a fill color of a shade of red for the text box.

* Choose a fill color of the same shade of red for the text box and use this fill color with the heart shape.

* Change the font color to one that is visible with the red fill color.

* Enlarge the font size on your cinquain as large as it can be while still remaining in the text box.

* Go to the Review tab and use the Spelling and Grammar Check.
